Extended Parts and Labor Coverage – You rest easy, let us handle the rest.

If you're concerned about the mileage or durability of your purchase, then a Parts and Labor Warranty is right for you. When you purchase a Parts and Labor Warranty from Central Auto Parts, you've got nothing to worry about. We'll take on the liability of the installation in the case of a defect or problem, so you don't have to. We'll take care of installation costs, repair inspections, and coordinating repair completion should there be a problem with the part. This is our way of insuring your investment and giving you peace of mind that the job will get done right and be protected for the life of your warranty. Ask our sales team for more information and pricing.
